INTER-OFFICE NUCLEAR STRESS TEST CANCELLATION POLICY

You have been scheduled for a Nuclear Stress Test at The Medical Group of New Jersey – Sussex Cardiology. This test requires the use of special medications which are ordered and prepared in advance especially for you. It is the policy of The Medical Group of New Jersey – Sussex Cardiology, that if you should cancel your Nuclear Stress Test appointment within 24 hours of the test date, you will be billed directly for the cost of these medications.

You may be billed for these medications if we must cancel and/or reschedule the test due to you not following the preparation instructions (avoiding foods/drinks, fasting from midnight, holding medications). We will submit your claim to your insurance company, but you will be responsible to pay any remaining balance.

By signing below, I acknowledge that I have read and understand the above Cancellation Policy for the Nuclear Stress Testing and agree to abide by these terms.
